Marguerite LaMotte: The Courage to Fight for Our Kids

Marguerite LaMotte: Teacher, Principal & Education Reformer

Marguerite Poindexter LaMotte has been an educator and advocate for children all of her adult life. For over 30 years, Marguerite's life has been defined by a passionate love of education, public service and most of all...children.

Putting Money Where the Kids Are

Marguerite LaMotte has been a maverick on the school board demanding accountability and transparency. She has worked hard to fight the downtown bureaucrats to eliminate waste, fraud and mismanagement of district resources. Those precious dollars are going back into the classrooms where they belong to support our teachers and students.

40,000 classroom teachers endorsed Marguerite LaMotte for School Board

School Safety

As a former teacher and principal, Marguerite LaMotte understands that kids can't learn and teachers can't teach if they feel threatened at school. That's why she has made school safety a top priority, so children can learn in safe schools free from gangs, drugs and violence. In addition to teaching the basics, Marguerite firmly believes we need to emphasize the importance of teaching personal responsibility, self-discipline, self-respect, and respect for others.
