September 30, 2010

His Honor Mr. Antonio Villaraigosa, Mayor  
City of Los Angeles  
City Hall  
200 N. Spring Street  
Los Angeles, CA 90012

Mayor Villaraigosa:

One hundred fifty-three years ago (153) or in 1857 Chief Justice Roger Taney of the Supreme Court of the United States told Dred Scott, a slave, that he had no rights he was compelled to respect. That was prior to the Emancipation Proclamation. That was prior to the XIV AMENDMENT to the United States Constitution.

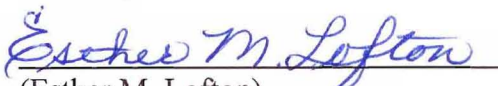

Even though President Barack Obama and Supervisor Mark Ridley Thomas are under oath to enforce the constitution and laws of the United States and of the State of California each of them evidently is in a time warp prior to 1861. Each refuses to execute and enforce the order and judgment issued in case #895188: Lofton v. LAUSD between November 22, 1975 and February 21, 1976 by Chief Justice Donald R. Wright, formerly of the California Supreme Court based on the proposed judgment authored by Leon E. Jr. and Esther M. Lofton- the prerequisite for the release of all retirement benefits to Michael L. Lofton, a thirty (30) year employee of the City of Los Angeles primarily with the Los Angeles Department of Water and Power (LADWP).

Enclosed is a copy of the bill for demand payment received on 09-30-10 by Michael from LADWP that is due 10-08-10.

This petition is written to inform you that any and every employee of the City of Los Angeles, especially from LADWP, shall be denied **by me, the undersigned**, admittance to the property in the inside address above.

LET'S ROLL!

Sincerely,

  
(Esther M. Lofton)
