

IMPORTANT INFORMATION REGARDING YOUR
DISCONNECT NOTICE

Your electric and/or water service will be disconnected if payment is not received in our office before 5:00 p.m. on the date indicated on the bill. For payment, either call 1-800-342-5397 or, if paying by cash or check, please bring the notice into a Customer Service Center. The locations are printed on the back of the bill.

If the owner, manager, or operator of this property is the customer of record, then any residential occupant has the right to apply to become a customer of the Los Angeles Department of Water and Power without being required to pay the amount due on the delinquent account. To become a customer, a residential occupant must establish credit with LADWP, and may be required to pay a deposit. For application or payment options, please contact a customer service representative at 1-800-342-5397.

FOR YOUR SAFETY

If your service is discontinued, for your safety and that of your family, use a flashlight or battery-powered lantern at night. NEVER use candles, matches, hurricane lamps, or any other light source with an open flame because of the fire hazard they present.
