Ms. [Jan Perry, Councilperson](#)
The "GREAT" 9th District
City of Los Angeles, City Hall
200 N. Main Street
Los Angeles, CA 90012

Dear Ms. Perry:

[I just read the article titled *Councilman denies new district maps are payback* \(L.A. Times, 02-17-12\)](#). You are finally getting a taste of what you have done to the black community: ignoring them by protecting the economic interests of all other nationalities especially Latinos. Ergo the Great Black [Ninth District](#) is now the greater [illegal Hispanic district](#).

And guess what? There are no black voices here that matter to protect you. So the [chickens have come home to roost](#).

[Councilman Bernard Parks](#) of the *criminal* eighth ([8th](#)) and [Councilman Herb Wesson](#) of [my district \(10th\)](#) are doing just like you.

I ought to know since [John Harmon](#) of Herb Wesson's office had me arrested for [trespass at the 18th street district office on October 7, 2011 when I came to him, again, for the redress](#) of my grievances: My son [Michael L. Lofton](#), a [Senior Electrical Mechanic employee for LADWP](#) who has [not received](#) his retirement since [termination](#), not firing, on [March 12, 2009](#) was [without](#) water in his [residence from January 19, 2010](#) until he paid over \$5,000 on Monday, February 13, 2012 and has had his electricity cut off twice, which he reconnected, twice. Why? He can't pay his bills. Imagine that! Now you are fighting each other for your lives.

Sincerely:

[Esther M. Lofton](#)

Cc: [Councilman Bernard Parks](#) and [Councilman Herb Wesson](#).

PS: *The Los Angeles black population is too small for 3 black city Councilpersons. Herb Wesson is the best hatchet man.*
